RETRO CHIC – A journey through time: the iconic 60s, 70s & 80s

The RETRO CHIC wallpaper collection by A.S. Création leaves a lasting impression with its variety of patterns and bold, lively colours.

From the 60s-style, playful, flower patterns through to the geometric shapes of the 70s, the collection provides a broad selection of style for everyone.

Whether you are a retro enthusiast or you are simply looking for a unique, creative design option, this collection will inspire you.

A worthy successor to our successful RETORVISION and RETRODELUXE collections, which created a furore in the 2000s as wallpaper remakes.
