

A.S. Création Press Release

Gummersbach, April 2019

ABSOLUTELY CHIC – Discrete Elegance

Subtle décor - from geometric patterns to charming blossoms - are the current trend. With ABSOLUTELY CHIC, Architects Paper enrich the world of wall coverings with an extraordinary collection, which besides stylish textile, croc and woven looks also has drawn peacock feathers and floral patterns in an Art Deco style.

Refined metallics and matt gloss effects underline the subtle elegance of the high quality wall coverings, which lend each room an exclusive, sensory flair.
