GEO NORDIC – Scandinavian trend

The Private Walls brand by A.S. Création stands for high quality wall coverings with a vibrant touch of style. The same is true of the new GEO NORDIC collection with its fresh and fashionable twist on the Scandinavian style of “hygge”.

With a full range of florals and graphic designs in strong tones of yellow, red, dark blue and dark green, as well as elegant metallics, this collection brings living spaces to life and exudes a refreshingly bright charm.
