Gummersbach, May 2020

### **NEW ELEGANCE – Subtly understated**

Beautiful wallpapers are the easiest way to achieve a distinctive personal design in your own home. The “Wallpapered in Germany” label is the hallmark of this concept and borne by the latest “New Elegance” collection.

The beautiful wallcoverings, with subtly structured finishes, sophisticated patterns and elegant shades of beige, cream, rose, dark green, taupe and grey, can be combined to suit your own tastes and create a look that is easy on the eye and elegantly understated, perfectly enhancing the ambience of any room.
