# DESIGNED IN WHITE

Eine besondere Nuance von Weiß setzt ein stilles, aber kraftvolles Zeichen – sanft, fast schwebend, mit einer Ausstrahlung von Gelassenheit und Klarheit. Dieses Weiß erinnert an ruhiges, wogendes Licht, das inmitten des Alltags zu Achtsamkeit und bewusster Wahrnehmung einlädt. Es steht für Ruhe, Maß und Reflexion – Werte, die „DESIGNED IN WHITE“ in dieser modernen Kollektion erlebbar macht. Weiß ist hier nicht nur Farbe, sondern Haltung: ein Raum für Leichtigkeit, Balance und reduziertes Design.

A special shade of white makes a quiet but powerful statement – gentle, almost floating, radiating serenity and clarity. This white is reminiscent of calm, undulating light that invites mindfulness and conscious perception in the midst of everyday life. It stands for calm, moderation and reflection – values that 'DESIGNED IN WHITE' brings to life in this modern collection. Here, white is not just a colour, but an attitude: a space for lightness, balance and minimalist design.
