DIGITALE TRAUMWÄNDE

Hochwertige, digitalbedruckte Wandbeläge
für außergewöhnliche Räume

Digitaldruck - Wandbeläge

Nichts bestimmt die Atmosphäre im Raum mehr als die Wand. Dabei sind digitalbedruckte Wandbeläge Ausdruck der Persönlichkeit eines jeden Einzelnen. Wandbilder sind somit Vielfalt und jeder hat das Recht auf außergewöhnliche Wände!

Alle Wandbilder sind in individuellen Größen und auf fünf verschiedenen Vliesqualitäten erhältlich. Unsere geruchsneutralen Drucke eignen sich dabei auch für sensible Umgebungen.

Die Kombination, der von uns verwendeten wasserbasierten Latextinten und bewährten Vliestapeten, schafft brillante Wanddekore mit herausragender Bildqualität und einem attraktiven, umweltfreundlichen Profil.

Darüber hinaus sind die Digitaldrucke schwer entflammbar, gut lichtbeständig, waschbeständig sowie später restlos trocken abziehbar.

Bestellvorgang

1. Wunschmotiv aussuchen:

Wählen Sie aus der Kollektion Ihr gewünschtes Motiv.

2. Material wählen:

Damit Sie Wandbild und Raumgestaltung optimal aufeinander abstimmen können, haben Sie die Wahl zwischen fünf Tapetenqualitäten. Optik und Haptik vermitteln die Muster auf der rechten Seite. Verwenden Sie zur Bestellung einfach die fünfstellige Artikelnummer (z.B. TW580).

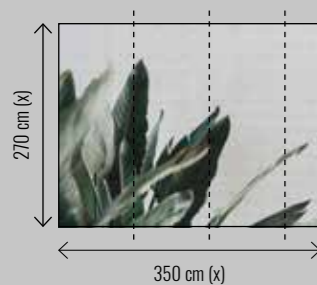

3. Größe bestimmen:

Die Wandbilder haben jeweils ein Standardformat, das jedoch je nach Motiv variiert. Zusätzlich bietet Digitale Traumwände die Möglichkeit, das Motiv exakt auf Ihr Wandmaß zu übertragen. Bei der Bestellung sowohl bei dem Standardformat als auch bei einem Individualformat einfach die Abmessung hinter der Artikelnummer angeben (Breite x Höhe).

Tipp: Wir empfehlen eine Zugabe von einmalig ca. 5-10cm in Breite und Höhe als Verschnitt für die Verarbeitung.

Unten wird die richtige Vorgehensweise anhand von einem Beispiel erklärt. Bei Fragen steht Ihnen unser Team gerne zur Verfügung.

Bestellbeispiel

Sie haben sich für eine individuelle Motivgröße und das Material 200 g/m² Vlies Premium entschieden:

Das Druckmotiv wird skaliert und auf die individuelle Größe angepasst (Bahn 4 ist 50 cm breit). Sie erhalten ein PDF mit dem individuellen Layout und geben die Daten für die Produktion frei.

The background is a watercolor wash featuring a gradient of colors. On the left, there are shades of yellow-green and light green. On the right, the colors transition into various tones of teal and blue-green. The brushstrokes are soft and blended, creating a textured, painterly effect.
