Daniel Hechter 3 – A Unique Ambience

The Daniel Hechter 3 wallpaper collection creates a classy and unique ambience. There are a great variety of motifs in earthy and clay coloured shades to choose from. They play in a multitude of ways with the colour accents set in pastel pink, dark red and neutral tones. These exquisite classically modern wallpapers with gold leaf and floral motifs as well as slate effects add an elegant and exclusive touch to your interiors. The combination of different trends and designs is reminiscent of a grand Parisian mansion.
