Elements – Natural mix of wood and stone visuals

The new “Elements” wallpaper collection by A.S. Création unites the highlights of different stone and wood visuals and is therefore totally on trend.

The high-quality non-woven wallpapers are natural and have a multitude of uses. They present your walls in an entirely different look and turn every wall surface into a unique experience.

Be it in the kitchen, loft or cosy living room; these wallpapers will fit in anywhere and combine easily with anything. From exquisite wooden panels through to concrete looks, this diverse collection comes in a variety of shades, ranging from beige-coloured woods to black stone.

The manifold wooden surfaces and the fascinating variety of stone have an authentic effect, adding a distinctly real touch to your walls.
