

## **A.S. Création Press Release**

Gummersbach, June 2021

### **Floral Impression**

The name says it all: Impressive floral motifs sweeten the mood and offer a colourful variety, guaranteeing a good feeling. Light-hearted floral prints are timelessly perfect and extremely versatile, as they can be reinterpreted again and again.

Floral Impression by Architects Paper plays with Scandinavian-inspired designs and combines them with a modern interpretation of a wide variety of floral motifs in a harmonious range of colours.

An ever-present statement with floral magic and fresh flair.
