

A.S. Création Press Release

Gummersbach, September 2020

Industrial - Industrial look for at home

The “Industrial” wallpaper collection by A.S. Création is impressive with its various motifs that create the perfect, popular industrial-style.

The high-quality décor from the authentic wood and stone visuals tells its own story and reflects the charm of the “Used Industrial Look”.

As a result, you can achieve a unique character in your living room.

The digital prints contained are premium, easy-to process non-woven backing material and have a user-friendly strip width of 1m. The colours used are allergy-free and odourless.
