### **JUNGLE CHIC – Stylishly combined**

The JUNGLE CHIC Collection from Architects Paper is the creative interpretation of modern wall design with elements drawn from fantasy and nature.

Structural effects meet floral magic and invite experimentation.

The design selection makes a high-quality statement in interior design and conveys charm and warmth to the walls, their presence infusing the space with colour and vitality.

Jungle Chic can be combined as desired and for every style of living.

Free according to individual creativity.
