Gummersbach, August 2020

New Life – the essentials

The “New Life” wallpaper collection by A.S. Création presents striking designs and clear colours – an accomplished mixture of graphic and floral patterns.

Modern wallpapers, for example, in a tiled look or with large ornaments harmonise with stylish plain colours and enable countless combination possibilities for every taste.

From beige to pink and red, from light blue through turquoise, from light green to dark green, right through to brown, taupe, grey or black - the current colours on-trend reflect the most modern Zeitgeist.
