

A.S. Création Press Release

Gummersbach, June 2021

VILLA – Versatile Statement

The “Villa” collection by A.S. Création embodies an interplay of subtle luxury and understatement with expressive elements.

High-quality designs meet subtle hatchings as well as fresh colour variations and invite you to feel good and linger.

The stylish motifs blend expressively into the desired interior design and complete any room with a versatile statement.

"Villa" is multi-faceted furnishing with a harmonious living feeling for every interpretation of individual interior design.
